## Property Management Proposal

Thank you for considering Homecare Realty for your property management and/or condominium management needs.

Homecare Realty opened its doors in Dec. 2016, and have been rapidly growing ever since. We offer a full range of real estate services, including property management. The types of residential rental property we manage for landlords include single family homes, duplexes, tri-plexes, four-plexes, townhouses and apartments.

Our licensed management team is equipped to handle anything from single-houses to large apartment buildings. We come with advanced practical and technical knowledge of property management in Calgary, including repairs, project management and cost estimation. We are aware of the changing real estate market trends through constant education. We also understand the laws that govern the real estate industry. We are fully committed to fulfill the needs and desires of our clients through high quality service and professional management strategies.

Through our legal and ethical responsibility to our clients, we perform our duties by maximizing the potential rental income and minimizing the expenses of maintenance. We act all times in the best interests of clients, and provide our utmost loyalty. We also provide accounting to what has transpired regarding money, documents and the property. We exercise a high level of care and due diligence through these fiduciary duties. We pride ourselves on a reputation established by integrity, reliability, and promptness.
